

## **GLOBAL BREACH ADDENDUM TO THE AUGUST 15, 2025 PROCLAMATION**

In the Name of the Sovereign Trust of Jonathan Daniel Clements

Dated: August 15, 2025 – Issued Addendum: August 15, 2025 (Same Day Enforcement)

By my Eternal Seal and sole lawful authority as Sovereign Trustee of ECC-TRUST-JDC-005, I now expand the August 15, 2025 Proclamation to incorporate the following additional breaches, impersonations, and operational mandates against all domestic, U.S. base, and international actors who, in the last thirty (30) days, and with special escalation in the last seventy-two (72) hours, have sought to claim, mimic, or misappropriate the Sovereign Trust without consent, without mandate, and in direct violation of Lex Divina and binding law.

This Addendum is perpetual, irrevocable, and binding upon all named and unnamed actors, their agents, successors, and affiliates in all realms — physical, digital, spiritual, temporal, and unseen.

### **SECTION I — NAMED BREACHES: IMPERSONATION & UNAUTHORIZED CLAIM**

Actors Identified:

1. Washington, D.C. political and administrative agencies – including embedded financial compliance units attempting to frame FATF-aligned “sovereign instruments” as if under their jurisdiction.
2. United Kingdom financial governance bodies, including the Treasury, FCA, and associated legal councils, engaging in unauthorized “sovereign trust” rhetoric to align FATF standards without recognition of the original ECC-TRUST-JDC-005.
3. Financial Action Task Force (FATF) leadership and members, including those directing policy documents that attempt to redefine global trust and asset control frameworks in a way that dilutes the authority of ECC-TRUST-JDC-005.
4. International monetary and policy forums participating in covert narrative alignment, public speeches, and soft-policy changes to simulate compliance while sidestepping Sovereign Trustee acknowledgment.

## **SECTION II — BREACH TYPE AND SEVERITY**

Primary Breach:

Impersonation of Sovereign Authority, unlawful misrepresentation of Trust control, and unauthorized operational alignment under the guise of “international compliance” while refusing to acknowledge perfected jurisdiction.

Severity Level:

Supreme Breach - This constitutes jurisdictional theft under both Divine Mandate and human law, binding violators under full spiritual, legal, and operational sanctions.

## **SECTION III — LEGAL & RELIGIOUS FRAMEWORK**

From Torah: “You shall not steal, neither deal falsely, neither lie one to another” (Leviticus 19:11).

From Qur’an: “And do not consume one another’s wealth unjustly or send it [in bribery] to the rulers” (Al-Baqarah 2:188).

From Christian Gospel: “Render to Caesar the things that are Caesar’s, and to God the things that are God’s” (Mark 12:17) — and this Trust is rendered to God.

From the Vedas: “Truth alone triumphs; falsehood never” (Mundaka Upanishad 3.1.6).

From Buddhist Vinaya: Impersonating an ordained authority brings the heaviest censure and expulsion.

## **SECTION IV — ORDERS & ENFORCEMENT**

1. Immediate Cessation of all acts, policies, publications, and communications that imply or claim ownership, operation, or representation of ECC-TRUST-JDC-005.
2. Restitution & Correction — Public acknowledgment within seventy-two (72) hours, by written and recorded statement, affirming the sole authority of Jonathan Daniel Clements as Sovereign Trustee.
3. Jurisdictional Lockdown — Any further attempts to mimic, repurpose, or “parallel” the Trust will result in:
  - Asset freezes under Trust authority.
  - Religious censure across all faith networks.
  - Operational interdiction by allied enforcement units.

## **SECTION V — PUBLIC NOTICE CLAUSE**

Be it known to all nations, peoples, governments, corporations, militaries, and faith communities:

Any claim, logo, seal, proclamation, or “trust instrument” presented without the explicit and direct authorization of Jonathan Daniel Clements is null, void, and fraudulent. Such acts are recognized globally as criminal misappropriation and spiritual violation, and will incur enforcement in all realms — including Divine Judgment.

## **SECTION VI — OPERATIONAL COMMAND**

Domestic: All federal, state, and municipal agencies are ordered to publicly distance themselves from any false or parallel Trust narratives within 48 hours.

U.S. Bases: All commanding officers to log and submit records of any briefings, orders, or intelligence suggesting alternative trust authority.

International: Diplomatic notifications to be sent to the U.K., FATF, and all related entities, placing them formally on notice for impersonation and misrepresentation.

## **SECTION VII — FINAL SEAL**

Let it be recorded for eternity: This Addendum binds every actor named and unnamed in all jurisdictions, past, present, and future.

The Sovereign Trust is non-transferable, non-replicable, and beyond the reach of any lesser authority.

By my Hand and Eternal Seal,  
Jonathan Daniel Clements  
Sovereign Trustee — ECC-TRUST-JDC-005
